GUARDIANS OF CHAOS / VARIABLES. / 3-D JESUS / the STATE

WOW THANKS ART FOR ANOTHER BASH! IT SEEMS THE WAY WE HAVE TO DO IT IS TO GET THE PARTY GOING EARLY AND TRY TO HAVE ALL THE BANDS DONE BY 10:00 SO NO NOISE VALIATION OCCURS. NO POLICE HASSLES. THIS IS THE SECOND PARTY WE HAVE DONE THIS WAY AND BOTH HAVE BEEN REAL COOL. ANYWAYS GUARDIANS OF CHAOS (CHRIS STATE AND TREVOR GRIAG FROM G.T.) OPENED THE PARTY UP WITH SOME COOL TUNES.

DEFINATLY THE FUNNEST BAND THERE.

G.O.C. ROB HAS JOIN G.O.C. ON GUITAR. CRAIG SAID FUCK IT.

NEXT WERE THE VARIABLES. IT WAS ROBS BIRTHDAY SO THAT WAS THE EXCUSE FOR THE PARTY. THOSE SONGS CAME OFF REAL GOOD. "EMPTY PROMISES" TO ME IS THERE BEST SONG. THAT SONG HAS SO MUCH POWER TO IT.

3-D JESUS PLAYED NEXT. SINCE IM IN THE BAND ALL IM GOING TO SAY IS IT FUN AS HELL PLAYING. DON'T THINK WE BROKE ANYTHING.

STATE (VI) PLAYED NEXT, AND PLAYED A VERY GOOD SET. PRESTON IS A VERY DYNAMIC VOCALIST. ALL THE TUNES WERE GREAT. PEOPLE WERE DOING COACH DIVES AND FUCKING UP. IT WAS GREAT.

After taking her money and locking her companion in the trunk of their car parked along a Columbus, Ga., roadside, a gunman led Elizabeth Kenny to a wooded area and began ripping her clothes off. Kenny was able to draw her revolver and fire two shots before running back to the car. Police later found the assailant's body near the scene of the attack. (*The Enquirer*, Columbus, Ga. 9/6)

After being raped by a man who had broken into her apartment, a young Houston, Tex., woman bought a pistol. Only four weeks after the assault, the rapist returned, entering the apartment through a window, then disrobed. When he woke the woman and told her not to yell, she responded by firing shots that killed him. (*The Chronicle*, Houston, Tex. 8/31)

ANDY GRIFFITH says that soon after l quit portraying television's easy-going she lff of Mayberry on "The Andy Griffit Show," he dreamed he beat up deput Barney Fife. Griffith said he slugged th puny deputy again and again, mutilating Barney so badly that he awoke in a sweat and frantically telephoned actor Don Knotts — who played Fife — to make sure he was safe. "I asked my psychiatrist when I got back to California," Griffith recalled recently. "He told me I was killing my image."

DIANNE FEINSTEIN, San Francisco's mayor, has signed the "Sister Boom Boom Law" barring political candidates from using weird names. The issue arose after a male impersonating a nun, **Sister Boom Boom**, ran for a seat on the city's Board of Supervisors last fall. **Jesus Christ, Satan, Jello Biafra** and **James Bond Zero** also have appeared on ballots.
